MEMORANDUM FOR: Director, Office of Regional & Political Analysis

STAT SUBJECT : [redacted]

I attended a meeting of the Working Group of the Cabinet Committee to Combat Terrorism at the Department of State yesterday and listened to the very effective presentations made by two members of ORPA on the background to the Moluccans terrorist incident now taking place in Holland. The two ORPA representatives, [redacted] and STAT [redacted], not only gave a very clear picture of the Moluccan independence movement, but they also handled a series of questions with

STAT poise and obvious grasp of their material. Please convey my appreciation to them for a job well done.
